## **ATTENTION BRISBANE TO GLADSTONE ENTRANTS**

Dear Entrants,

### **Re: Procedure for allocation of Marina Berths**

Please contact the Marina Office on CH82 VHF as you are entering Auckland Creek.

Your berth allocation will be given to you at this time.

There will be a Marina employee at your berth to ensure that you are in the correct berth.

Your vessel may be rafted; this is unavoidable due to our high occupancy rate at the moment.

The Marina Office will be open from 7.00am Saturday 11 April till 4.00pm Sunday. (Dependant on weather, slow race = longer opening time) Easter Monday the office will be opened at 7.00am. – 3.15pm

Those of you who need to drop off Life Rafts please contact the Marina Office during these times to arrange storage.

The Amenities are closed daily for cleaning purposes from 9.00am – 11.00am. Please do not try and use them during this time.

Yours faithfully

**Narelle Jensen**  
**Marina Officer**
