Owners Responsibility: The safety of a boat and her crew is the sole and inescapable responsibility of the owner, or owners representative who must do their best to ensure that the boat is fully found, thoroughly seaworthy and sailed by an experienced crew who are phisically fit to face bad weather. The owner must be satisfied as to the soundness of hull, spars, rigging, sails, and gear. The owner must ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used.
