

NZMYC PO Box 3337 Auckland

Dear Fellow Australian Multihull Sailors

1. Greetings from us here in New Zealand and like you, we are all excited by the recent announcement over the next America's Cup in 2013.
2. Our club is organising a fully crewed long distance coastal race from Auckland to Wellington and back which takes the boats right round the North Island of New Zealand. It is a race of real challenges over a classic course and we would be delighted to see entries from Australia in this inaugural event.
3. The notice of race and entry form are attached, and if there are any questions or anyone has particular interest then by all means contact the undersigned.
4. We trust all is well in your sailing world over there.

Yours faithfully

Matthew Flynn
Commodore
